

No More Boring Zoom Meetings: Tips and Hacks to Boost Engagement

What if people left your next virtual meeting celebrating the outstanding experience they've just had? That would be amazing, right?

Then it's time to take your Zoom events to the next level!

During this 90 minute session you'll go behind the basics of Zoom and discover some of the top strategies that trainers across the globe are using to boost engagement online. Join the conversation and leave with simple tips and tricks to make your next virtual meeting something to talk about.

**Not a Zoom user? Most of these tips and hacks will apply to other video conferencing platforms too!*

Topics:

- Design tips for planning your next virtual meeting
- Easy hacks to boost engagement during virtual meetings
- to increase the frequency of participants' interactions
- How to elicit feedback from meeting participants

It is recommended that members complete *Zoom 101: How to Up Your Game on Zoom* before attending this session.
